Welcome Adilcimar Gomes

Belvac is most pleased to announce that Mr. Adilcimar Gomes has joined our company as Director of Sales for South America reporting to Ruben Robles, Vice President of Global Business Development. Mr. Gomes brings 30 years of experience in the can making and can machinery industries.

For the last twenty years, Adilcimar has served multiple Service and Sales positions for Stolle Machinery Do Brasil, including sales responsibility for Belvac Spares when Stolle was Belvac's sales representative in Brazil. Most recently, Adilcimar was Stolle's Global Product Director for End Liners.

Prior to that experience, Mr. Gomes served ten years in various maintenance and production supervisory roles for Reynolds LATASA from the beginning of the aluminum beverage can in Brazil.

Adilcimar brings to Belvac his can making and can machinery knowledge and experience, as well as long term relationships with our customers in Brazil, Argentina, Chile and Colombia. He will lead Belvac's sales initiatives and business development in South America. In addition, Adilcimar will work closely with our Brazilian warehouse to insure full utilization of quick response supply to our customers in the Brazilian region. Finally, he will make the customers in the region aware of Belvac's commitment to their success!

Please join me in welcoming Adilcimar to Belvac's Sales Team and wish him every success in contributing to the continual growth of Belvac as it executes its strategy in beverage packaging solutions.
